UNITED STATES DISTRICT COURT SOUTHERN DISTRICT OF NEW YORK

FRANK MICHOLLE, Individually and on Behalf of All Others Similarly Situated,	 Civil Action No. 1:17-cv-00210-VSB-GWG (Consolidated)
Plaintiff,	CLASS ACTION
vs. OPHTHOTECH CORPORATION, DAVID R. GUYER and SAMIR PATEL,	DECLARATION OF ROSS D. MURRAY REGARDING NOTICE DISSEMINATION, PUBLICATION, AND REQUESTS FOR EXCLUSION RECEIVED TO DATE
Defendants.	
	X

I, ROSS D. MURRAY, declare and state as follows:

1. I am employed as a Vice President of Securities by Gilardi & Co. LLC ("Gilardi"), located at 1 McInnis Parkway, Suite 250, San Rafael, California. The following statements are based on my personal knowledge and information provided to me by other Gilardi employees and if called to testify I could and would do so competently.

2. Pursuant to this Court's March 17, 2022 Order Granting Preliminary Approval Pursuant to Fed. R. Civ. P. 23(e)(1) and Permitting Notice to the Class ("Notice Order") (ECF 137), Gilardi was appointed to supervise and administer the notice procedure as well as the processing of claims in connection with the proposed Settlement of the above-captioned litigation (the "Litigation").¹ I oversaw the notice services that Gilardi provided in accordance with the Notice Order.

3. I submit this declaration in order to provide the Court and the parties to the Litigation with information regarding: (i) mailing of the Court-approved Notice of Pendency and Proposed Settlement of Class Action (the "Notice") and Proof of Claim and Release form (the "Proof of Claim") (collectively, the "Claim Package," attached hereto as Exhibit A); (ii) publication of the Summary Notice of Proposed Settlement of Class Action ("Summary Notice"); (iii) establishment of the website and toll-free telephone number dedicated to this Settlement; and (iv) the number of requests for exclusion from the Class received to date by Gilardi.

DISSEMINATION OF THE CLAIM PACKAGE

4. Pursuant to the Notice Order, Gilardi is responsible for disseminating the Claim Package to potential Class Members. The Class consists of all Persons who purchased or otherwise acquired Ophthotech common stock from March 2, 2015 through December 12, 2016, inclusive, and who were damaged thereby. Excluded from the Class are: (i) Defendants; (ii) members of the immediate family of each Defendant; (iii) any person who was an officer or director of Ophthotech

¹ Any capitalized terms used that are not otherwise defined herein shall have the meanings ascribed to them in the Stipulation of Settlement dated September 8, 2021 (the "Stipulation") (ECF 129), which is available on the website established for the Settlement at www.OPHSecuritiesSettlement.com.

during the Class Period; (iv) any entity in which any Defendant has or had a controlling interest; (v) any corporate parent and/or affiliate of Ophthotech; and (vi) the legal representatives, heirs, successors-in-interest, or assigns of any such excluded Person. Also excluded from the Class is any Person who would otherwise be a Member of the Class but who validly and timely excludes himself, herself, or itself therefrom.

5. Gilardi received a file via email from Ophthotech's transfer agent, which contained the names and addresses of potential Class Members. The list was reviewed to identify and eliminate duplicate entries and incomplete data, resulting in a usable mailing list of 134 unique names and addresses. Gilardi had the unique name and address data printed on to Claim Packages, posted the Claim Packages for First-Class Mail, postage prepaid, and delivered 134 Claim Packages on April 7, 2022, to the United States Post Office for mailing.

6. In addition, on April 7, 2022, as part of its normal mailing procedures, Gilardi mailed, by First-Class Mail, Claim Packages and cover letters to 281 brokerages, custodial banks, and other institutions ("Nominee Holders") that hold securities in "street name" as nominees for the benefit of their customers who are the beneficial owners of the securities. The Nominee Holders also include a group of filers/institutions who have requested notification of every securities case. These Nominee Holders are included in a proprietary database created and maintained by Gilardi. In Gilardi's experience, the Nominee Holders included in this proprietary database represent a significant majority of the beneficial holders of securities. The cover letter accompanying the Claim Packages advised the Nominee Holders of the proposed Settlement and requested their cooperation in forwarding the Claim Packages to potential Class Members. In the more than three decades that Gilardi has been providing notice and claims administration services in securities class actions, Gilardi has found the majority of potential class members hold their securities in street name and are notified through the Nominee Holders. Gilardi also mailed Claim Packages and cover letters to the 4,445 institutions included on the U.S. Securities and Exchange Commission's ("SEC") list of active brokers and dealers at the time of mailing. A sample of the

cover letter mailed to Nominee Holders and the institutions included on the SEC's list of active brokers and dealers is attached hereto as Exhibit B.

7. On April 7, 2022, Gilardi also delivered electronic copies of the Claim Package to 365 registered electronic filers who are qualified to submit electronic claims. These filers are primarily institutions and third-party filers who typically file numerous claims on behalf of beneficial owners for whom they act as trustees or fiduciaries.

8. As part of the notice program for this Litigation, on April 7, 2022, Gilardi also delivered electronic copies of the Claim Package via email to be published by the Depository Trust Company ("DTC") on the DTC Legal Notice System ("LENS"). LENS enables the participating bank and broker nominees to review the Claim Package and contact Gilardi for copies of the Claim Package for their beneficial holders.

9. Gilardi has acted as a repository for shareholder and nominee inquiries and communications received in this Litigation. In this regard, Gilardi has forwarded the Claim Package on request to nominees who purchased or acquired Ophthotech common stock for the beneficial interest of other persons. Gilardi has also forwarded the Claim Package directly to beneficial owners upon receipt of the names and addresses from such beneficial owners or nominees.

10. Following the initial mailing, Gilardi received 22 responses to the outreach efforts described above, which included computer files containing a total of 23,514 names and addresses of potential Class Members. In addition, 25 institutions requested that Gilardi send them a total of 26,713 Claim Packages for forwarding directly to their clients. Gilardi also received four responses that included mailing labels with names and addresses of an additional five potential Class Members. Gilardi has also mailed 244 Claim Packages as a result of returned mail for which new addresses were identified for re-mailing to those potential Class Members. Each of these requests has been completed in a timely manner.

11. As of August 3, 2022, Gilardi has mailed a total of 55,701 Claim Packages to potential Class Members and nominees.

PUBLICATION OF THE SUMMARY NOTICE

12. In accordance with the Notice Order, on April 14, 2022, Gilardi caused the Summary Notice to be published in *The Wall Street Journal* and to be transmitted over *Business Wire*, as shown in the confirmations of publication attached hereto as Exhibit C.

TELEPHONE HELPLINE AND WEBSITE

13. On April 7, 2022, in conjunction with the mailing of the Notice, Gilardi established and continues to maintain a case-specific, toll-free telephone helpline, 1-888-808-4866, to accommodate potential Class Member inquiries. The toll-free number was set forth in the Notice and on the case website. Gilardi has been and will continue to promptly respond to all inquiries to the toll-free telephone helpline.

14. On April 7, 2022, Gilardi established and continues to maintain a website dedicated to this Litigation (www.OPHSecuritiesSettlement.com) to provide additional information to Class Members and to provide answers to frequently asked questions. The web address was set forth in the Claim Package and the Summary Notice. The website includes information regarding the Litigation and the Settlement, including the objection and claim filing deadlines, and the date, time, and location of the Court's Settlement Hearing. Copies of the Notice, Proof of Claim, Stipulation, and Notice Order are posted on the website and are available for downloading. Class Members can also complete and submit a Proof of Claim through the website.

REQUESTS FOR EXCLUSION RECEIVED TO DATE

15. The Notice informs potential Class Members that written requests for exclusion from the Class must be mailed to *Ophthotech Securities Settlement*, c/o Gilardi & Co. LLC, EXCLUSIONS, 150 Royall Street, Suite 101, Canton, MA 02021, such that they are postmarked no later than August 18, 2022.

16. The Notice also sets forth the information that must be included in each request for exclusion. Gilardi has monitored and will continue to monitor all mail delivered to this address. As of the date of this declaration, Gilardi has received two requests for exclusion, redacted copies of which are attached hereto as Exhibit D.

SUMMARY OF THIS NOTICE

Statement of Class Recovery

Pursuant to the Settlement described herein, a \$29 million settlement fund has been established. Based on Lead Plaintiff's estimate of the number of shares of Ophthotech common stock eligible to recover under the Settlement, the average distribution per share under the Plan of Allocation is approximately \$1.43 before deduction of any taxes on the income earned on the Settlement Amount thereof, notice and administration costs, and the attorneys' fees and expenses as determined by the Court. **Class Members should note, however, that these are only estimates.** A Class Member's actual recovery will be a proportion of the Net Settlement Fund determined by that claimant's claims as compared to the total claims of all Class Members who submit acceptable Proofs of Claim. An individual Class Member may receive more or less than this estimated average amount. See Plan of Allocation set forth and discussed at pages 9-11 below for more information on the calculation of your claim.

Statement of Potential Outcome of Case

The Settling Parties disagree on both liability and damages and do not agree on the amount of damages that would be recoverable if the Class prevailed on each claim alleged. Defendants deny that they are liable to the Class and deny that the Class has suffered any damages. The issues on which the parties disagree are many, but include: (1) whether Defendants engaged in conduct that would give rise to any liability to the Class under the federal securities laws, or any other laws; (2) whether Defendants have valid defenses to any such claims of liability; (3) the appropriate economic model for determining the amount by which the prices of Ophthotech common stock were allegedly artificially inflated (if at all) during the Class Period; (4) the amount, if any, by which the prices of Ophthotech common stock were allegedly artificially inflated (if at all) during the Class Period; (5) the effect of various market forces on the prices of Ophthotech common stock at various times during the Class Period; (6) the extent to which external factors influenced the prices of Ophthotech common stock at various times during the Class Period; (7) the extent to which the various matters that Lead Plaintiff alleged were materially false or misleading influenced (if at all) the prices of Ophthotech common stock at various times during the Class Period; (6) the various allegedly adverse material facts that Lead Plaintiff alleged were omitted influenced (if at all) the prices of Ophthotech common stock at various times during the various allegedly adverse material facts that Lead Plaintiff alleged were omitted influenced (if at all) the prices of Ophthotech common stock at various times during the various allegedly adverse material facts that Lead Plaintiff alleged were omitted influenced (if at all) the prices of Ophthotech common stock at various times during the Class Period; (7) the various allegedly adverse material facts that Lead Plaintiff alleged were omitted influenced (if at all) the prices of Ophthotech common stock at va

Statement of Attorneys' Fees and Expenses Sought

Since the action's inception, Lead Counsel has expended considerable time and effort in the prosecution of this Litigation on a wholly contingent basis and has advanced the expenses of the Litigation in the expectation that if it was successful in obtaining a recovery for the Class, it would be paid from such recovery. Lead Counsel will apply to the Court for an award of attorneys' fees not to exceed thirty percent (30%) of the Settlement Amount, plus expenses not to exceed

\$500,000, plus interest earned on both amounts at the same rate as earned by the Settlement Fund. This amount may include a request by the Lead Plaintiff for an award in connection with its representation of the Class. If the amounts requested are approved by the Court, the average cost per share of Ophthotech common stock will be approximately \$0.43.

Please Do Not Call the Court or Defendants with Questions About the Settlement.

Reasons for the Settlement

Lead Plaintiff's principal reason for entering into the Settlement is the benefit to the Class now, without further risk or the delays inherent in continued litigation. The cash benefit under the Settlement must be considered against the significant risk that a smaller recovery – or, indeed, no recovery at all – might be achieved after contested motions, trial, and likely appeals, a process that could last several years into the future. For the Defendants, who have denied and continue to deny all allegations of liability, fault, or wrongdoing whatsoever, the principal reason for entering into the Settlement is to eliminate the uncertainty, risk, costs, and burdens inherent in any litigation, especially in complex cases such as this Litigation. Defendants have concluded that further conduct of this Litigation could be protracted and distracting.

BASIC INFORMATION

1. Why did I get this Notice package?

This Notice was sent to you pursuant to an Order of a U.S. District Court because you or someone in your family or an investment account for which you serve as custodian may have purchased or acquired Ophthotech common stock during the period between March 2, 2015 through and including December 12, 2016 (the "Class Period").

This Notice explains the class action lawsuit, the Settlement, Class Members' legal rights in connection with the Settlement, what benefits are available, who is eligible for them, and how to get them.

The Court in charge of the Litigation is the United States District Court for the Southern District of New York, and the case is known as *Micholle v. Ophthotech Corporation, et al.*, No. 1:17-cv-00210-VSB-GWG. The case has been assigned to the Honorable Vernon S. Broderick. The institution representing the Class is the Lead Plaintiff, and the company and individuals it sued and who have now settled are called the Defendants.

2. What is this lawsuit about?

Lead Plaintiff's Consolidated Amended Complaint for Violations of the Federal Securities Laws (the "Complaint"), filed on June 4, 2018, alleges that Defendants violated §§10(b) and 20(a) of the Securities Exchange Act of 1934 (the "Exchange Act"). More specifically, Lead Plaintiff alleges that, throughout the Class Period (March 2, 2015 through December 12, 2016, inclusive), Defendants made materially false and misleading statements and/or failed to disclose adverse information regarding the clinical trials for Fovista, the Company's leading drug candidate, which caused the price of Ophthotech's common stock to trade at artificially inflated prices, until the market learned of the allegedly false and misleading statements, and the Company's share price significantly declined. Defendants deny the Complaint's allegations and contend that they did not violate the Exchange Act.

On July 27, 2018, Defendants moved to dismiss the Complaint for failure to state a claim under the Private Securities Litigation Reform Act of 1995 (the "PSLRA") and Rules 9(b) and 12(b)(6) of the Federal Rules of Civil Procedure. Lead Plaintiff opposed the motion and moved to strike certain documents submitted with Defendants' motion on October 12, 2018. Defendants filed their reply in support of the motion to dismiss and opposition to the motion to strike on November 19, 2018. Lead Plaintiff filed its reply to the motion to strike on December 10, 2018. On September 18, 2019, the Court granted in part and denied in part Defendants' motion to dismiss, and granted in part and denied in part Lead Plaintiff's motion to strike.

Defendants answered the Complaint on November 18, 2019.

Lead Plaintiff moved for class certification on June 12, 2020. Defendants filed their notice of non-opposition to the motion on August 11, 2020.

The parties engaged in extensive pre-trial discovery. In response to Lead Plaintiff's requests, Defendants and third parties produced over 2.8 million pages of documents, and Lead Plaintiff conducted three depositions. The parties thereafter sought and obtained a discovery stay while they attempted mediation.

On June 21, 2021, the Settling Parties participated in a confidential mediation with the Hon. Layn R. Phillips (Ret.), an experienced mediator. The mediation was preceded by the submission and exchange of mediation statements by the Settling Parties. The Settling Parties engaged in good faith negotiations, but did not reach a settlement. The Settling Parties continued to engage in arm's-length negotiations and on July 1, 2021, accepted the mediator's proposal to resolve the Litigation. The agreement included, among other things, the Settling Parties' agreement to settle the Litigation in return for a cash payment of \$29,000,000 for the benefit of the Class, subject to the negotiation of the terms of a Stipulation of Settlement and approval by the Court. The Stipulation (together with the Exhibits thereto) reflects the final and binding agreement, and a compromise of all matters that are in dispute, between the Settling Parties.

Defendants deny each and all of the claims and contentions of wrongdoing alleged by Lead Plaintiff in the Litigation, as well as any and all allegations of fault, liability, wrongdoing, or damages whatsoever arising out of any of the conduct, statements, acts, or omissions that have been alleged, or that could have been alleged, in the Litigation. Defendants contend that they did not make any materially false or misleading statements, that they disclosed all material information required to be disclosed by the federal securities laws, and that any alleged misstatements or omissions were not made with the requisite intent or knowledge of wrongdoing. Defendants also contend that any losses allegedly suffered by Members of the Class were not caused by any allegedly false or misleading statements by them and/or were caused by intervening events. Defendants continue to believe that the claims asserted against them in the Litigation are without merit. Defendants also maintain that they have meritorious defenses to all claims that were raised or could have been raised in the Litigation.

3. Why is there a settlement?

The Court has not decided in favor of Defendants or the Lead Plaintiff. Instead, both sides agreed to the Settlement to avoid the distraction, costs, and risks of further litigation, and Lead Plaintiff agreed to the Settlement in order to ensure that Class Members will receive compensation.

WHO IS IN THE SETTLEMENT

4. How do I know if I am a Member of the Class?

The Court directed that everyone who fits this description is a Class Member: all Persons who purchased or acquired Ophthotech common stock during the period from March 2, 2015 through December 12, 2016, inclusive, except those Persons and entities that are excluded.

Excluded from the Class are: (i) Defendants; (ii) members of the immediate family of each Defendant; (iii) any Person who was an officer or director of Ophthotech during the Class Period; (iv) any entity in which any Defendant has or had a controlling interest; (v) any corporate parent and/or affiliate of Ophthotech; and (vi) the legal representatives, heirs, successors-in-interest, or assigns of any such excluded Person. Also excluded from the Class are those Persons who timely and validly exclude themselves therefrom by submitting a request for exclusion in accordance with the requirements set forth in question 11 below.

Please Note: Receipt of this Notice does not mean that you are a Class Member or that you will be entitled to receive a payment from the Settlement. If you are a Class Member and you wish to be eligible to participate in the distribution of proceeds from the Settlement, you are required to submit the Proof of Claim that is being distributed with this Notice and the required supporting documentation as set forth therein postmarked or submitted online on or before July 6, 2022.

5. What if I am still not sure if I am included?

If you are still not sure whether you are included, you can ask for free help. You can contact the Claims Administrator toll-free at 1-888-808-4866, or you can fill out and return the Proof of Claim form enclosed with this Notice package, to see if you qualify.

THE SETTLEMENT BENEFITS – WHAT YOU GET

6. What does the Settlement provide?

The Settlement provides that, in exchange for the release of the Released Claims (defined below) and dismissal of the Litigation, Defendants have agreed to pay (or cause to be paid) \$29 million in cash to be distributed after taxes, tax expenses, notice and claims administration expenses, and approved fees and expenses, *pro rata*, to Class Members who send in a valid Proof of Claim form pursuant to the Court-approved Plan of Allocation. The Plan of Allocation is described in more detail at the end of this Notice.

7. How much will my payment be?

Your share of the Net Settlement Fund will depend on several things, including the total value of Ophthotech common shares represented by the valid Proof of Claim forms that Class Members send in, compared to the value of your claim, all as calculated under the Plan of Allocation discussed below.

HOW YOU GET A PAYMENT - SUBMITTING A CLAIM FORM

8. How can I get a payment?

To be eligible to receive a payment from the Settlement, you must submit a Proof of Claim form. A Proof of Claim form is enclosed with this Notice or it may be downloaded at www.OPHSecuritiesSettlement.com. Read the instructions carefully, fill out the Proof of Claim, include all the documents the form asks for, sign it, and **mail or submit it online so that it is postmarked or received no later than July 6, 2022**. The Proof of Claim form may be submitted online at www.OPHSecuritiesSettlement.com.

9. When would I get my payment?

The Court will hold a Settlement Hearing on September 8, 2022, at 2:00 p.m., to decide whether to approve the Settlement. If the Court approves the Settlement, there might be appeals. It is always uncertain whether appeals can be resolved, and if so, how long it would take to resolve them. It also takes time for all the Proofs of Claim to be processed. Please be patient.

10. What am I giving up to get a payment or to stay in the Class?

Unless you timely and validly exclude yourself, you are staying in the Class, and that means you cannot sue, continue to sue, or be part of any other lawsuit against Defendants or their Related Parties about the Released Claims (as defined below) in this case. It also means that all of the Court's orders will apply to you and legally bind you. If you remain a Class Member, and if the Settlement is approved, you will give up all "Released Claims" (as defined below), including "Unknown Claims" (as defined below), against the "Released Persons" (as defined below):

- "Released Claims" means any and all rights, liabilities, suits, debts, obligations, demands, damages, losses, judgment, matters, issues, claims (including "Unknown Claims," as defined below), and causes of action, of every nature and description whatsoever, in law, equity, or otherwise, whether known or unknown, asserted or unasserted, accrued or unaccrued, fixed or contingent, liquidated or unliquidated, whether arising under federal, state, local, statutory, common or foreign law, or any other law, rule, or regulation, whether class and/or individual in nature, that Lead Plaintiff or any Class Member asserted or could have asserted in the Litigation, or could in the future assert in any court or forum based upon, related in any way to, in connection with, or arising from both: (a) the allegations, transactions, facts, matters or occurrences, errors, representations, misrepresentations, actions, failures to act, omissions, or corrective disclosures that were alleged, set forth, or referred to in the Litigation, and (b) the purchase or acquisition of Ophthotech common stock by any Class Member during the Class Period. "Released Claims" does not include: (i) derivative claims; (ii) ERISA claims; and (iii) claims to enforce the Settlement.
- "Released Defendants' Claims" means any and all claims and causes of action of every nature and description whatsoever, including both known claims and Unknown Claims, against Lead Plaintiff, Lead Counsel or any Class Member that arise out of or relate in any way to the institution, prosecution, or settlement of the claims against Defendants in the Litigation, except for claims relating to the enforcement of the Settlement.
- "Released Persons" means each and all of the Defendants, Defendants' Counsel and their Related Parties.
- "Related Parties" means any Person's former, present or future parents, subsidiaries, divisions, controlling persons, associates, related entities and affiliates, any entity in which a Person has a controlling interest, and each and all of their respective present and former employees, members, partners, principals, officers, directors, controlling shareholders, agents, attorneys, advisors (including financial or investment advisors), accountants, auditors, consultants, underwriters, investment bankers, commercial bankers, entities providing fairness opinions, general or limited partners or partnerships, limited liability companies, members, joint ventures and insurers and reinsurers or co-insurers of each of them; as well as the predecessors, successors, estates, immediate family members, spouses, heirs, executors, trusts, trustees, administrators, agents, legal or personal representatives, assigns, and assignees of each of them.
- "Unknown Claims" means (a) any and all Released Claims which any of the Releasing Plaintiff Parties do not know or suspect to exist in his, her, or its favor at the time of the release of the Released Defendant Parties, which, if known by him, her, or it, might have affected his, her, or its settlement with and release of the Released Defendant Parties, or might have affected his, her, or its decision(s) with respect to the Settlement, including, but not limited to, whether or not to object to this Settlement; and (b) any and all Released Defendants' Claims that any of the Released Defendant Parties do not know or suspect to exist in his, her, or its favor at the time of the release of the Lead Plaintiff, the Class and Lead Counsel, which, if known by him, her, or it, might have affected his, her, or its settlement and release of Lead Plaintiff, the Class and Lead Counsel. With respect to (a) any and all Released Claims against the Released Defendant

Parties, and (b) any and all Released Defendants' Claims against Lead Plaintiff, the Class and Lead Counsel, the Settling Parties stipulate and agree that, upon the Effective Date, the Settling Parties shall expressly waive, and each Releasing Plaintiff Party and Released Defendant Party shall be deemed to have, and by operation of the Judgment shall have, expressly waived the provisions, rights, and benefits of California Civil Code §1542, which provides:

A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.

The Settling Parties shall expressly waive, and each Releasing Plaintiff Party and Released Defendant Party shall be deemed to have, and by operation of the Judgment shall have, expressly waived any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States, or principle of common law, which is similar, comparable, or equivalent to California Civil Code §1542. The Releasing Plaintiff Parties and Released Defendant Parties acknowledge that they may hereafter discover facts, legal theories or authorities in addition to or different from those which he, she, it or their counsel now knows or believes to be true with respect to the subject matter of the Released Claims or Released Defendants' Claims, but (a) the Releasing Plaintiff Parties shall expressly fully, finally, and forever waive, compromise, settle, discharge, extinguish and release, and each Releasing Plaintiff Party shall be deemed to have waived, compromised, settled, discharged, extinguished, and released, and upon the Effective Date, and by operation of the Judgment, shall have waived, compromised, settled, discharged, extinguished, and released, fully, finally, and forever, any and all Released Claims against the Released Defendant Parties, known or unknown, suspected or unsuspected, contingent or non-contingent, accrued or unaccrued, whether or not concealed or hidden, which now exist, or heretofore have existed, or may hereafter exist, upon any theory of law or equity now existing or coming into existence in the future, including, but not limited to, conduct which is negligent, intentional, with or without malice, or a breach of any duty, law or rule, without regard to the subsequent discovery or existence of such different or additional facts, legal theories, or authorities, and (b) the Released Defendant Parties shall expressly fully, finally, and forever waive, compromise, settle, discharge, extinguish and release, and upon the Effective Date, and by operation of the Judgment, shall have waived, compromised, settled, discharged, extinguished, and released, fully, finally, and forever, any and all Released Defendants' Claims against the Lead Plaintiff, the Class and Lead Counsel, known or unknown, suspected or unsuspected, contingent or non-contingent, whether or not concealed or hidden, which now exist, or heretofore have existed, upon any theory of law or equity now existing or coming into existence in the future, including, but not limited to, conduct which is negligent, intentional, with or without malice, or a breach of any duty, law or rule, without regard to the subsequent discovery or existence of such different or additional facts, legal theories, or authorities. The Settling Parties acknowledge, and the Releasing Plaintiff Parties and Released Defendant Parties shall be deemed by operation of the Judgment to have acknowledged, that the foregoing waiver was separately bargained for and is an essential element of the Settlement of which this release is a part.

EXCLUDING YOURSELF FROM THE CLASS

If you do not want to participate in this Settlement, and you want to keep the right to potentially sue the Defendants and the other Released Persons, on your own, about the claims being released by the Settlement, then you must take steps to remove yourself from the Settlement. This is called excluding yourself – or is sometimes referred to as "opting out." If you are requesting exclusion because you want to bring your own lawsuit based on the matters alleged in this Litigation, you may want to consult an attorney and discuss whether any individual claim that you may wish to pursue would be time-barred by the applicable statutes of limitation or repose.

11. How do I get out of the Class and the proposed Settlement?

To exclude yourself from the Class and the Settlement, you must send a letter by First-Class Mail stating that you "request exclusion from the Class in the *Ophthotech Securities Settlement.*" Your letter must include your purchases or acquisitions of Ophthotech common stock during the Class Period, including the dates, the number of shares of Ophthotech common stock purchased or acquired, and price paid for each such purchase or acquisition. In addition, you must include your name, address, telephone number, and your signature. You must submit your exclusion request so that it is **postmarked no later than August 18, 2022** to:

Ophthotech Securities Settlement c/o Gilardi & Co. LLC EXCLUSIONS 150 Royall Street, Suite 101 Canton, MA 02021 If you ask to be excluded, you will not get any payment from the Settlement, and you cannot object to the Settlement. You will not be legally bound by anything that happens in this lawsuit, and you may be able to sue the Defendants and the other Released Persons about the Released Claims in the future.

12. If I do not exclude myself, can I sue the Defendants and the other Released Persons for the same thing later?

No. Unless you exclude yourself, you give up any rights you may potentially have to sue the Defendants and the other Released Persons for any and all Released Claims. If you have a pending lawsuit against the Released Persons, speak to your lawyer in that case immediately. You must exclude yourself from the Class in this Litigation to continue your own lawsuit. Remember, the exclusion deadline is August 18, 2022.

13. If I exclude myself, can I get money from the proposed Settlement?

No. If you exclude yourself, you should not send in a Proof of Claim to ask for any money. But you may have the right to potentially sue or be part of a different lawsuit against the Defendants and the other Released Persons.

THE LAWYERS REPRESENTING YOU

14. Do I have a lawyer in this case?

The Court ordered that the law firm of Robbins Geller Rudman & Dowd LLP represent the Class Members, including you. These lawyers are called Lead Counsel. If you want to be represented by your own lawyer, you may hire one at your own expense.

15. How will the lawyers be paid?

Lead Counsel will apply to the Court for an award of attorneys' fees not to exceed thirty percent (30%) of the Settlement Amount and for expenses, costs and charges in an amount not to exceed \$500,000 in connection with prosecuting the Litigation, plus interest on such fees and expenses at the same rate as earned by the Settlement Fund. Lead Plaintiff may seek up to \$7,500 for its costs and expenses incurred in representing the Class pursuant to 15 U.S.C. \$78u-4(a)(4). Such sums as may be approved by the Court will be paid from the Settlement Fund.

OBJECTING TO THE SETTLEMENT

You can tell the Court that you do not agree with the Settlement or any part of it.

16. How do I tell the Court that I object to the proposed Settlement?

If you are a Class Member, you can comment on or object to the proposed Settlement, the proposed Plan of Allocation and/or Lead Counsel's fee and expense application. You can write to the Court setting out your comment or objection. The Court will consider your views. To comment or object, you must send a signed letter saying that you wish to comment on or object to the proposed Settlement in the *Ophthotech Securities Settlement*. Include your name, address, telephone number, and your signature, identify the date(s), price(s), and number of shares of Ophthotech common stock you purchased or acquired and sold during the Class Period, and state with specificity your comments or the reasons why you object to the proposed Settlement, Plan of Allocation and/or fee and expense application, including any legal and evidentiary support for such objection. Any objection must state whether it applies only to the objector, to a specific subset of the Class, or to the entire Class. You must also include copies of documents demonstrating your purchase(s), acquistion(s), and/or sale(s) of Ophthotech common stock during the Class Period. Your comments or objection must be filed with the Court and mailed or delivered to each of the following addresses such that it is *received* no later than August 1, 2022:

17. What is the difference between objecting and excluding?

Objecting is simply telling the Court that you do not like something about the Settlement. You can object **only** if you stay in the Class.

Excluding yourself is telling the Court that you do not want to recover money from the Settlement and do not want to release any claims you think you may have against Defendants and their Related Parties. If you exclude yourself, you cannot object to the Settlement because it does not affect you.

THE COURT'S SETTLEMENT HEARING

The Court will hold a hearing to decide whether to approve the proposed Settlement. You may attend and you may ask to speak, but you do not have to.

18. When and where will the Court decide whether to approve the proposed Settlement?

The Court will hold a Settlement Hearing at **2:00 p.m., on September 8, 2022**, in the Courtroom of the Honorable Vernon S. Broderick, at the United States District Court for the Southern District of New York, Thurgood Marshall United States Courthouse, 40 Foley Square, New York, NY 10007. At the hearing, the Court will consider whether the Settlement and the Plan of Allocation are fair, reasonable, and adequate. If there are objections, the Court will consider them, even if you do not ask to speak at the hearing. The Court will listen to people who have asked to speak at the hearing. The Court will decide whether to approve the Settlement and the Plan of Allocation. We do not know how long these decisions will take. You should be aware that the Court may change the date and time of the Settlement Hearing without another notice being sent to Class Members. If you want to attend the hearing, you should check with Lead Counsel or the Settlement website www.OPHSecuritiesSettlement.com beforehand to be sure that the date and/or time has not changed.

In addition, the recent Coronavirus (COVID-19) pandemic is a fluid situation that creates the possibility that the Court may decide to conduct the Settlement Hearing by video or telephonic conference, or otherwise allow Class Members to appear at the hearing by phone or video, without further written notice to the Class. In order to determine whether the date and time of the Settlement Hearing have changed, or whether Class Members must or may participate by phone or video, it is important that you monitor the Court's docket and the Settlement website, www.OPHSecuritiesSettlement.com, before making any plans to attend the Settlement Hearing. Any and all updates regarding the Settlement Hearing, including any changes to the date or time of the hearing or updates regarding in-person or remote appearances at the hearing, will be posted to the Settlement website, www.OPHSecuritiesSettlement to the Settlement Hearing by telephone or video, to access information will be posted to the Settlement website, www.OPHSecuritiesSettlement.com.

19. Do I have to come to the hearing?

No. Lead Counsel will answer questions the Court may have. But, you are welcome to come at your own expense. If you send an objection, you do not have to come to Court to talk about it. As long as you mailed your written objection on time, the Court will consider it. You may also pay your own lawyer to attend, but it is not necessary. Class Members do not need to appear at the hearing or take any other action to indicate their approval.

20. May I speak at the hearing?

If you object to the Settlement, the Plan of Allocation, and/or the fee and expense application, you may ask the Court for permission to speak at the Settlement Hearing. To do so, you must include with your objection (see question 16 above) a statement saying that it is your "Notice of Intention to Appear in the *Ophthotech Securities Settlement*." Persons who intend to object to the Settlement, the Plan of Allocation, and/or any attorneys' fees and expenses to be awarded to Lead Counsel or Lead Plaintiff and desire to present evidence at the Settlement Hearing must include in their written objections the identity of any witnesses they may call to testify and exhibits they intend to introduce into evidence at the Settlement Hearing. Your notice of intention to appear must be **received no later than August 1, 2022**, and addressed to the Clerk of the Court, Lead Counsel, and Defendants' Counsel, at the addresses listed above in question 16.

You cannot speak at the hearing if you exclude yourself from the Class.

IF YOU DO NOTHING

21. What happens if I do nothing?

If you do nothing, you will not receive any money from this Settlement. In addition, unless you exclude yourself, you will not be able to start a lawsuit, continue with a lawsuit, or be part of any other lawsuit against Defendants and their Related Parties about the Released Claims in this case.

PLAN OF ALLOCATION OF NET SETTLEMENT FUND AMONG CLASS MEMBERS

The Settlement Amount of \$29 million and any interest earned thereon is the "Settlement Fund." The Settlement Fund, less all taxes, tax expenses, notice and claims administration expenses, and approved fees and expenses (the "Net Settlement Fund") shall be distributed to Class Members who submit timely and valid Proof of Claim forms to the Claims Administrator ("Authorized Claimants"). The Plan of Allocation provides that you will be eligible to participate in the distribution of the Net Settlement Fund only if you have an overall net loss on all of your transactions in Ophthotech common stock during the Class Period.

The objective of the Plan of Allocation is to equitably distribute the Net Settlement Fund among Class Members based on their respective alleged economic losses resulting from the securities law violations alleged in the Litigation.

The Claims Administrator shall determine each Class Member's share of the Net Settlement Fund based upon the recognized loss formula (the "Recognized Loss") described below. A Recognized Loss will be calculated for each share of Ophthotech common stock purchased or acquired during the Class Period. The calculation of Recognized Loss will depend upon several factors, including when the Ophthotech common stock was purchased or acquired and in what amounts, whether the shares were sold, and, if so, when they were sold and for what amounts.

The Recognized Loss is not intended to estimate the amount a Class Member may have been able to recover after a trial, nor to estimate the amount you will receive. It is a formula for allocating the Net Settlement Fund among all Authorized Claimants. The allocation below is based on the following inflation per share amounts for Class Period share purchases and sales as well as the statutory PSLRA 90-day look-back amount of \$4.57 per share.² Furthermore, if any of the formulas set forth below yield an amount less than \$0.00, the claim per share shall be \$0.00.

The Plan of Allocation was developed in consultation with Lead Plaintiffs' damages expert. In developing the Plan of Allocation, Lead Plaintiff's damages expert calculated the estimated amount of alleged artificial inflation in the per share prices of Ophthotech common stock that was allegedly caused by Defendants' alleged materially false and misleading statements and omissions. In calculating the estimated artificial inflation allegedly caused by those misrepresentations and omissions Lead Plaintiff's damages expert considered the price change in Ophthotech common stock in reaction to the public disclosure that allegedly corrected the alleged misrepresentation of omissions, adjusting the price change for factors that were attributable to market forces, and for non-fraud relating Company-specific information.

In order to have recoverable damages under the federal securities laws, disclosures of the alleged misrepresentation and/or omission must be the cause of the decline in the price of the security. In this Litigation, Lead Plaintiff alleges that corrective information allegedly impacting the price of Ophthotech common stock (the "corrective disclosure") was released to the market on December 12, 2016. Taking into consideration the heightened risks of proving at trial that the entire stock price decline on December 12, 2016 was caused by the allegedly corrective information, the Recognized Loss Amount for purchases or acquisitions of Ophthotech common stock from March 2, 2015 through and including the close of trading on December 11, 2016, as set forth below, is reduced by 50%. In order to have a "Recognized Loss Amount" under the Plan of Allocation, shares of Ophthotech common stock must have been purchased or acquired during the Class Period and held through the issuance of the corrective disclosure.

² Under §21(D)(e)(1) of the Exchange Act, "in any private action arising under this Act in which the plaintiff seeks to establish damages by reference to the market price of a security, the award of damages to the plaintiff shall not exceed the difference between the purchase or sale price paid or received, as appropriate, by the plaintiff for the subject security and the mean trading price of that security during the 90-day period beginning on the date on which the information correcting the misstatement or omission that is the basis for the action is disseminated to the market." Consistent with the requirements of the statute, Recognized Loss Amounts for Ophthotech common stock are reduced to an appropriate extent by taking into account the closing prices of Ophthotech common stock during the 90-day look-back period. The mean (average) closing price for Ophthotech common stock during this 90-day look-back period was \$4.57 per share as shown in Table A.

A "claim" will be calculated as follows:

For each share of Ophthotech common stock purchased or acquired from March 2, 2015 through and including the close of trading on December 11, 2016, and:

(a) Sold prior to the close of trading on December 11, 2016, the Recognized Loss Amount will be \$0.00;

Average Price

(b) Sold from December 12, 2016 through and including the close of trading on March 10, 2017, the Recognized Loss Amount will be *the least of*: (i) \$16.72 per share, (ii) the purchase price minus the sale price, or (iii) the purchase price minus the average closing price between December 12, 2016 and the date of sale as stated in Table A below; and

(c) Held as of the close of trading on March 10, 2017, the Recognized Loss Amount will be *the lesser* of: (i) \$16.72 per share, or (ii) the purchase price minus \$4.57, the average closing price for Ophthotech common stock between December 12, 2016 and March 10, 2017 (the last entry on Table A below).

For Class Members who held Ophthotech common stock at the beginning of the Class Period or made multiple purchases, acquisitions or sales during the Class Period, the First-In, First-Out ("FIFO") method will be applied to such holdings, purchases, acquisitions and sales for purposes of calculating a claim. Under the FIFO method, sales of Ophthotech common stock during the Class Period will be matched, in chronological order, first against Ophthotech common stock held at the beginning of the Class Period. The remaining sales of Ophthotech common stock the Class Period will then be matched, in chronological order, against Ophthotech common stock purchased or acquired during the Class Period.

A Class Member will be eligible to receive a distribution from the Net Settlement Fund only if a Class Member had a net overall loss, after all profits from transactions in all Ophthotech common stock described above during the Class Period are subtracted from all losses. However, the proceeds from sales of Ophthotech common stock that have been matched against Ophthotech common stock held at the beginning of the Class Period will not be used in the calculation of such net loss. No distributions will be made to Authorized Claimants who would otherwise receive a distribution of less than \$10.00.

A purchase, acquisition or sale of Ophthotech common stock shall be deemed to have occurred on the "contract" or "trade" date as opposed to the "settlement" or "payment" date. All purchase, acquisition and sale prices shall exclude any fees and commissions. The receipt or grant by gift, devise, or operation of law of Ophthotech common stock during the Class Period shall not be deemed a purchase, acquisition or sale of Ophthotech common stock for the calculation of a claimant's recognized claim nor shall it be deemed an assignment of any claim relating to the purchase, or acquisition of such share unless specifically provided in the instrument of gift or assignment. The receipt of Ophthotech common stock during the Class Period in exchange for securities of any other corporation or entity shall not be deemed a purchase or acquisition of Ophthotech common stock.

With respect to Ophthotech common stock purchased or sold through the exercise of an option, the purchase/sale of the Ophthotech common stock is the exercise date of the option and the purchase/sale price of the Ophthotech common stock is the exercise price of the option. Any recognized claim arising from the purchase of Ophthotech common stock acquired during the Class Period through the exercise of an option on Ophthotech common stock shall be computed as provided for other purchases of Ophthotech common stock in the Plan of Allocation.

Distributions will be made to Authorized Claimants after all claims have been processed, after the Court has finally approved the Settlement, and after any appeals are resolved. If there is any balance remaining in the Net Settlement Fund after at least six (6) months from the initial date of distribution of the Net Settlement Fund (whether by reason of tax refunds, uncashed checks, or otherwise), the Claims Administrator shall, if feasible, reallocate such balance among Authorized Claimants in an equitable and economic fashion. These redistributions shall be repeated until the balance remaining in the Net Settlement Fund is no longer economically feasible to distribute to Class Members. Thereafter, any balance that still remains in the Net Settlement Fund shall be donated to any appropriate non-sectarian, non-profit charitable organization(s) serving the public interest.

Please contact the Claims Administrator or Lead Counsel if you disagree with any determinations made by the Claims Administrator regarding your Proof of Claim. If you are dissatisfied with the determinations, you may ask the Court, which retains jurisdiction over all Class Members and the claims administration process, to decide the issue by submitting a written request.

The Court has reserved jurisdiction to allow, disallow, or adjust the claim of any Class Member on equitable grounds.

Payment pursuant to the Plan of Allocation set forth above shall be conclusive against all Authorized Claimants. Defendants, their respective counsel, and all other Released Persons will have no responsibility or liability whatsoever for the investment of the Settlement Fund, the distribution of the Net Settlement Fund, the Plan of Allocation, or the payment of any claim. No Person shall have any claim against Lead Plaintiff, Lead Counsel, the Claims Administrator, or other Person designated by Lead Counsel, Defendants, or Defendants' Counsel based on distributions made substantially in accordance with the Stipulation and the Settlement contained therein, the Plan of Allocation, or further orders of the Court. All Class Members who fail to complete and submit a valid and timely Proof of Claim shall be barred from participating in distributions from the Net Settlement Fund (unless otherwise ordered by the Court), but otherwise shall be bound by all of the terms of the Stipulation, including the terms of any judgment entered and the releases given.

II. CLAIMANT IDENTIFICATION

You are a Member of the Class if you purchased or acquired Ophthotech common stock during the period between March 2, 2015 through December 12, 2016, inclusive (the "Class Period"). Excluded from the Class are: (i) Defendants; (ii) members of the immediate family of each Defendant; (iii) any Person who was an officer or director of Ophthotech during the Class Period; (iv) any entity in which any Defendant has or had a controlling interest; (v) any corporate parent and/or affiliate of Ophthotech; and (vi) the legal representatives, heirs, successors-in-interest, or assigns

¹ This Claim Form incorporates by reference the definitions in the Stipulation of Settlement ("Stipulation"), which can be obtained at www.OPHSecuritiesSettlement.com.

of any such excluded Person. Also excluded from the Class is any Person who would otherwise be a Member of the Class but who validly and timely requests exclusion in accordance with the requirements set by the Court.

Use Part I of this form entitled "Claimant Identification" to identify each purchaser or acquirer of record ("nominee"), if different from the beneficial purchaser or acquirer of the Ophthotech common stock which forms the basis of this claim. THIS CLAIM MUST BE FILED BY THE ACTUAL BENEFICIAL PURCHASER(S) OR ACQUIRER(S) OR THE LEGAL REPRESENTATIVE OF SUCH PURCHASER(S) OR ACQUIROR(S) OF THE OPHTHOTECH COMMON STOCK UPON WHICH THIS CLAIM IS BASED.

All joint purchasers or acquirers must sign this claim. Executors, administrators, guardians, conservators and trustees must complete and sign this claim on behalf of persons represented by them and their authority must accompany this claim and their titles or capacities must be stated. The last four digits of the Social Security number (or full taxpayer identification number) and telephone number of the beneficial owner may be used in verifying the claim. Failure to provide the foregoing information could delay verification of your claim or result in rejection of the claim.

If you are acting in a representative capacity on behalf of a Member of the Class (for example, as an executor, administrator, trustee, or other representative), you must submit evidence of your current authority to act on behalf of that Member of the Class. Such evidence would include, for example, letters testamentary, letters of administration, or a copy of the trust documents.

One claim should be submitted for each separate legal entity. Separate Claim Forms should be submitted for each separate legal entity (*e.g.*, a claim from joint owners should not include separate transactions of just one of the joint owners, and an individual should not combine his or her IRA transactions with transactions made solely in the individual's name). Conversely, a single Claim Form should be submitted on behalf of one legal entity including all transactions made by that entity on one Claim Form, no matter how many separate accounts that entity has (*e.g.*, a corporation with multiple brokerage accounts should include all transactions made in all accounts on one Claim Form).

NOTICE REGARDING ELECTRONIC FILES: Certain claimants with large numbers of transactions may request to, or may be requested to, submit information regarding their transactions in electronic files. All claimants MUST submit a manually signed paper Claim Form listing all their transactions whether or not they also submit electronic copies. If you wish to file your claim electronically, you must contact the Claims Administrator at edata@gilardi.com to obtain the required file layout. No electronic files will be considered to have been properly submitted unless the Claims Administrator issues to the claimant a written acknowledgement of receipt and acceptance of electronically submitted data. Distribution payments must be made by check or electronic payment payable to the Authorized Claimant (beneficial account owner). The Third-Party Filer shall not be the payee of any distribution payment check or electronic distribution payment.

III. CLAIM FORM

Use Part II of this form "Schedule of Transactions in Ophthotech Common Stock," to supply all required details of your transaction(s) in Ophthotech common stock. If you need more space or additional schedules, attach separate sheets giving all of the required information in substantially the same form. Sign and print or type your name on each additional sheet.

On the schedules, provide all of the requested information with respect to **all** of your purchases or acquisitions and **all** of your sales of Ophthotech common stock between March 2, 2015 through March 10, 2017, inclusive, whether such transactions resulted in a profit or a loss. You must also provide all of the requested information with respect to all of the shares of Ophthotech common stock you held at the end of the day on March 1, 2015, December 12, 2016 and March 10, 2017. Failure to report all such transactions may result in the rejection of your claim.

List these transactions separately and in chronological order, by trade date, beginning with the earliest. You must accurately provide the month, day and year of each transaction you list.

For short-sale transactions, the date of covering a "short sale" is deemed to be the date of purchase of Ophthotech common stock, and the date of a "short sale" is deemed to be the date of sale of Ophthotech common stock.

For each transaction, you must provide, together with this Claim Form, copies of stockbroker confirmation slips, stockbroker statements, or other documents adequately evidencing your transactions in Ophthotech common stock. If any such documents are not in your possession, please obtain a copy or equivalent documents from your broker because these documents are necessary to prove and process your claim. Failure to provide this documentation could delay verification of your claim or result in rejection of your claim.

PLEASE NOTE: As set forth in the Plan of Allocation, each Authorized Claimant shall receive his, her or its *pro rata* share of the Net Settlement Fund. If the prorated payment to any Authorized Claimant calculates to less than \$10.00, it will not be included in the calculation and no distribution will be made to that Authorized Claimant.

5. "Unknown Claims" means (a) any and all Released Claims which any of the Releasing Plaintiff Parties do not know or suspect to exist in his, her, or its favor at the time of the release of the Released Defendant Parties, which, if known by him, her, or it, might have affected his, her, or its settlement with and release of the Released Defendant Parties, or might have affected his, her, or its decision(s) with respect to the Settlement, including, but not limited to, whether or not to object to this Settlement; and (b) any and all Released Defendants' Claims that any of the Released Defendant Parties do not know or suspect to exist in his, her, or its favor at the time of the release of Lead Plaintiff, the Class and Lead Counsel, which, if known by him, her, or it, might have affected his, her, or its settlement and release of Lead Plaintiff, the Class and Lead Counsel. A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.

The Settling Parties shall expressly waive, and each Releasing Plaintiff Party and Released Defendant Party shall be deemed to have, and by operation of the Judgment shall have, expressly waived any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States, or principle of common law, which is similar, comparable, or equivalent to California Civil Code §1542.
